

Student Search

Advanced Searching in Infinite Campus

Student Search is a feature that allows you to quickly find and filter students in Infinite Campus using multiple search criteria. Once you've refined your list, you can populate your index with the student list to use for Campuswide tasks. Available filter options include but are not limited to: Student Number List, PersonID List, Active Student, Enrollment Start Date, Enrollment End Date, Start Status, End Status, End Action, Grade Level, Sex, Race/Ethnicity, Flag, SPED Setting, 504, Gifted, RTI, FRAM Status, Homeless, and more.

In the image below, the Grade Level and Gifted filters were chosen. 9th grade and Gifted Eligible were selected, which filtered down to 34 students. 10 students were checked, and "Student Search" was run, populating the index with the 10 selected 9th grade gifted students. This list can now be used for other Campus tasks.

Student	Student Number	Grade
☒ Leona Ballenger	24434	09
☒ Polyn Caywood	24436	09
☐ Benjamin Crump	29778	09
☒ Ryan David	24249	09
☐ Trip Dobbie	29624	09
☐ Dylan Herring	24510	09
☒ Adison Isom	24168	09
☐ Reagan Investor	24162	09
☒ Josiah Kirsch	30280	09
☐ Reagan Langstreet	24890	09
☒ John Looney	24822	09
☐ Laurel Manomano	24050	09
☐ Miles Mason	24946	09
☒ Cameron Neal	23875	09
☒ Elers Phillip-Ford	24820	09

☐ Kasey Pomer	24124	09
☐ Austin Powell	23940	09
☒ Sydney Prosser	23824	09

Key Features and Benefits

Filters

A wide range of filters available to narrow down to a specific group of students.

SIS admin staff can decide which filters are available for use by end users.

Student Number List

Use the Student Number List filter to create a list of students by copying and pasting a list of student numbers.

Copy Selected Students

You have the ability to narrow your list of students and then "Copy Selected Students" for use elsewhere.

Save Template

Create and save templates for future use.
