504 MODULE

504 Eligibility Tracker

The 504 module is fully integrated with Infinite Campus and allows districts to easily track and manage all 504 data. Comprehensive Dashboard provides a consolidated view with drilldown capabilities to track pending, eligible, and ineligible students. Electronically monitor referrals, meetings, email notifications, and staff and parent input forms. Create 504 meetings and send invitations and documents electronically and gather electronic signatures. Create student 504 plans with testing and classroom accommodations with electronic signatures both during and after the meeting.

TOP FEATURES

504 DASHBOARD

View and manage students who are pending, eligible, or ineligible. Includes sorting and filtering options and moves students requiring an action to Pending.

> This module is worth every penny. This has allowed us to streamline the 504 process. We are able to be consistent with the wording used in our 504s. It also helps from a compliance standpoint as we know all the boxes are being checked and parental rights are being shared.
