

CheckMate Pro+Volunteer

SELF-SERVICE ATTENDANCE KIOSK

CheckMate Pro+Volunteer is a fully integrated attendance tracking system within Infinite Campus. This tool features check in/out options for students, guests, substitutes, and employees. CheckMate saves attendance clerks time by allowing students to check-in or check-out using a kiosk. The student attendance data is written directly back to Infinite Campus which means no double entry of data.

CheckMate Pro+Volunteer has all the functionality of CheckMate Pro, and also includes:
