MTSS

Multi-Tier Support System Tool

MTSS is an intuitive software solution designed to help schools track and manage information within Infinite Campus for students who have been identified as needing MTSS support. MTSS allows schools to efficiently monitor and document the progress of students receiving various tiers of support. From academic interventions to behavioral strategies, every detail is captured and easily accessible. Monitor student interventions and progress with ease with MTSS.

TOP FEATURES

MTSS DASHBOARD

Used to initiate an MTSS entry for a student. Add customizable domains and interventions with ease. Track student progress, update student tiers at any time, record meetings, and more.

STAFF DASHBOARD

This view allows staff to easily view students to access MTSS details, domains, and monitor progress.

INTERVENTION DASHBOARD

A list of all interventions by student. This list can be filtered to find necessary information.

MTSS BLITZ

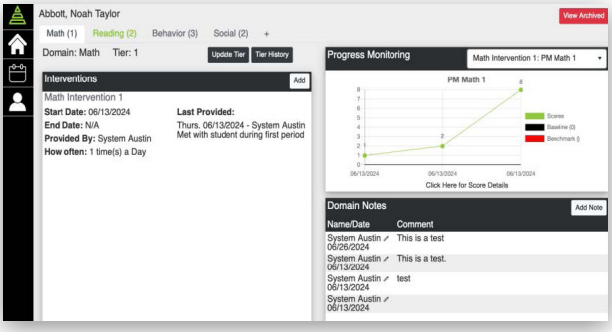
Enter domain notes, interventions, or progress monitoring for multiple students at once.

REPORTS

Relevant and useful reports available.

BENEFITS

- Fully integrated with Infinite Campus
- User-friendly interface
- Collaboration made easy
- Customizable settings and options



MTSS is developed and maintained by K-12 Solutions Group, a trusted Infinite Campus Channel Partner since 2006.
